We figured the interest and late payment penalty to 05/18/2011.

Although we have told you to pay the amount you owe, it is still not paid. This is your copy of a notice of levy we have sent to collect this unpaid amount. We will send other notices if we don't get enough with this one.

Banks, credit unions, savings and loans, and similar institutions described in section 408(n) of the Internal Revenue Code must hold your money for 21 calendar days before sending it to us. They must include the interest you earn during that time. Anyone else we send a levy to must turn over your money, property, credits, etc. that they have (or are already obligated for) when they would have paid you.

If you decide to pay the amount you owe now, please bring a guaranteed payment cash, cashier's check, certified check, or money order to the nearest IRS office with this form, so we can tell the person who received the levy not to send us your money. Make checks and money orders payable to United States Treasury. If you mail your payment instead of bringing it to us, we may not have time to stop the person who received the levy from sending us your money.

If we have erroneously levied your bank account, we may reimburse you for the fees your bank charged you for honoring the levy. You must file a claim with the IRS on Form 8545 within one year after the fees are charged.

If you have any questions, or want to arrange payment before other levies are issued, please call or write us. If you write to us, please include your telephone number and the best time to call.

THIS LEVY WON'T ATTACH FUNDS IN IRAs, SELF-EMPLOYED INDIVIDUALS' RETIREMENT PLANS, OR ANY OTHER RETIREMENT PLANS IN YOUR POSSESSION OR CONTROL, UNLESS IT IS SIGNED IN THE BLOCK TO THE RIGHT.

We figured the interest and late payment penalty to 05/18/2011

Although we have told you to pay the amount you owe, it is still not paid. This is your copy of a notice of levy we have sent to collect this unpaid amount. We will send other levies if we don't get enough with this one.

Banks, credit unions, savings and loans, and similar institutions described in section 408(n) of the Internal Revenue Code must hold your money for 21 calendar days before sending it to us. They must include the interest you earn during that time. Anyone else we send a levy to must turn over your money, property, credits, etc. that they have (or are already obligated for) when they would have paid you.

If you decide to pay the amount you owe now, please bring a guaranteed payment (cash, cashier's check, certified check, or money order) to the nearest IRS office with this form, so we can tell the person who received this levy not to send us your money. Make checks and money orders payable to United States Treasury. If you mail your payment instead of bringing it to us, we may not have time to stop the person who received this levy from sending us your money.

If we have erroneously levied your bank account, we may reimburse you for the fees your bank charged you for handling the levy. You must file a claim with the IRS on Form 8546 within one year after the fees are charged.

If you have any questions, or want to arrange payment before other levies are issued, please call or write us. If you write to us, please include your telephone number and the best time to call.

(a) **Seizure and Sale of Property.**—The term "levy" as used in this title includes the power of distraint and seizure by any means. Except as otherwise provided in subsection (a), a levy shall extend only to property possessed and obligations existing at the time thereof. In any case in which the Secretary may levy upon property (whether real or personal, tangible or intangible).

(c) **Successive Seizures.**—Whenever property subject to property upon which a levy has been made by virtue of subsection (a) is not sufficient to satisfy the claim of the United States through such levy, the Secretary may, thereafter, and as often as may be necessary, proceed to levy in the same manner upon any other property liable for the payment of such claim, until the amount due from him, together with all expenses, is fully paid.

Sec. 6332. SURRENDER OF PROPERTY SUBJECT TO LEVY.

(a) **Requirement.**—Except as otherwise provided in this section, any person in possession of or claiming (or respecting) property or rights to property subject to levy upon which a levy has been made shall, upon demand of the Secretary, surrender such property or rights for discharge such obligations to the Secretary, except such part of the property or rights as is, at the time of such demand, subject to attachment or execution under any judicial process.

(b) **Special Rules for Bankruptcy and Employment Contracts.**

(1) **In general.**—A levy upon an organization with respect to the liability of an individual shall not be subject to the provisions of this section if the organization is a partnership or other entity, without liability for the payment of the amount described in paragraph (2) and the amount of the right of the person against whom the levy is assessed to the extent of such amount. Such organization shall pay over such amount to the Secretary or the Secretary's agent. Such organization shall include a certification to the Secretary of the full and complete notice has been mailed to the person against whom the levy is assessed at the last known address.

(2) **Satisfaction of levy.**—Such levy shall be deemed to be satisfied if such organization pays over to the Secretary the amount which the person against whom the tax is assessed could have had recovered to him by such organization on the date prescribed in paragraph (1) by the collection of such levy, as assessed by the amount of any advance (including costs and interest thereon) made to such person on or after the date such organization shall submit notice of the lien in connection with the meaning of such term as of the time of the levy, with respect to which such levy is made, other than an advance (including costs and interest thereon) made automatically to maintain such contract in force under an agreement entered into before such organization had such notice or knowledge.

(3) **Enforcement proceedings.**—The satisfaction of a levy under paragraph (2) shall be without prejudice to any civil action for the enforcement of any lien imposed by this title with respect to such contract.

(4) **Special Rule for Banks.**—Any bank (as defined in section 408(b)) shall surrender (subject to an attachment or execution under judicial process) any deposits (including interest thereon) in such bank only after 21 days after service of levy.

(c) **Enforcement of Levy.**

(1) **Extent of personal liability.**—Any person who fails or refuses to surrender any property or rights to property, subject to levy, upon demand by the Secretary, shall be liable in the same person and estate to the United States in an amount equal to the value of the property or rights not so surrendered, but not exceeding the amount of money for the collection of which such levy has been made, together with costs and interest on such sum at the underpayment rate established under section 6621 from the date of such levy (or, in the case of a levy described in section 6331 (4)(C), from the date such person would otherwise have been obligated to pay over such amounts to the taxpayer). Any amount (other than costs) recovered under this paragraph shall be credited against the tax liability for the collection of which such levy was made.

(2) **Penalty for violation.**—In addition to the personal liability imposed by paragraph (1), if any person required to surrender property or rights to property fails or refuses to surrender such property or rights to property without reasonable cause, such person shall be liable for a penalty equal to 50 percent of the amount recoverable under paragraph (1). No part of such penalty shall be credited against the tax liability for the collection of which such levy was made.

(3) **Effect of holding levy.**—Any person in possession of (or obligated with respect to) property or rights to property subject to levy upon which a levy has been made who, upon demand by the Secretary, surrenders such property or rights to property (or discharges such obligation) to the Secretary (or who pays a liability under subsection (1)(1)), shall be discharged from any obligation or liability to the delinquent taxpayer and any other person with respect to such property or rights to property arising from such surrender or payment.

Sec. 6333. PRODUCTION OF BOOKS.

If a levy has been made or is about to be made on any property, or right to property, any person having custody or control of any books or records, containing evidence or statements relating to the property or right to property subject to levy, shall, upon demand of the Secretary, submit such books or records to the Secretary.

(a) **Release of Levy and Notice of Release.**

(1) **In general.**—Under regulations prescribed by the Secretary, the Secretary shall release the levy upon all, or part of, the property or rights to property levied upon and shall promptly notify the person upon whom such levy was made (if any) that such levy has been released if—

- (A) the liability for which such levy was made is satisfied or becomes unenforceable by reason of lapse of time,
- (B) release of such levy will facilitate the collection of such liability,
- (C) the taxpayer has entered into an agreement under section 6160 to satisfy such liability by means of installment payments, unless such agreement provides otherwise,
- (D) the Secretary has determined that such levy is creating an economic hardship due to the financial condition of the taxpayer, or
- (E) the fair market value of the property exceeds such liability and release of the levy on a part of such property could be made without hindering the collection of such liability.

For purposes of subparagraph (C), the Secretary is not required to release a levy if such release would jeopardize the secured creditor status of the Secretary.

(2) **Expedited determination on certain business property.**—In the case of any tangible personal property essential in carrying on the trade or business of the taxpayer, the Secretary shall provide for an expedited determination under paragraph (1) if levy on such tangible personal property would prevent the taxpayer from carrying on such trade or business.

(3) **Subsequent levy.**—The release of levy on any property under paragraph (1) shall not prevent any subsequent levy on such property.

(b) **Return of Property.**—If the Secretary determines that property has been wrongfully levied upon, it shall be liable for the Secretary to return—

- (1) the specific property levied upon,
- (2) an amount of money equal to the amount of money levied upon, or
- (3) an amount of money equal to the amount of money received by the United States from a sale of such property.

Property may be returned at any time. An amount equal to the amount of money levied upon or received from such sale may be returned at any time before the expiration of 6 months from the date of such levy. For purposes of paragraph (3), if property is declared purchased by the United States at a sale pursuant to section 6350(a) (relating to manner and conditions of sale), the United States shall be treated as having received an amount of money equal to the minimum price determined pursuant to such section or (if larger) the amount received by the United States from the resale of such property.

(c) **Return of Property in Certain Cases.**

- (1) any property has been levied upon, and
- (2) the Secretary determines that—
 - (A) the levy on such property was premature or otherwise not in accordance with administrative procedures of the Secretary,
 - (B) the taxpayer has entered into an agreement under section 6160 to satisfy the tax liability for which the levy was imposed by means of installment payments, unless such agreement provides otherwise,
 - (C) the return of such property will facilitate the collection of the tax liability, or
 - (D) with the consent of the taxpayer or the National Taxpayer Advocate, the return of such property would be in the best interests of the taxpayer (as determined by the National Taxpayer Advocate) and the United States.

The provisions of subsection (b) shall apply in the same manner as if such property had been wrongfully levied upon, except that no interest shall be allowed under subsection (c).
